

Schaub & Company
Distinctive Decorative Hardware

Distinctive decorative hardware
(kitchen and bathroom cabinet handles and pulls)

When is a cabinet handle not a handle? When it is a work of art! Schaub & Company travel to the four corners of the earth to discover and procure exclusive collections made of noble metals and exquisite materials for the discerning connoisseur. Choose from collections of brass, bronze, nickel, copper, pewter, britannium, mother-of-pearl, pebbles and a plethora of patinas to compliment your masterpiece kitchen or bathroom project. For cabinet handles and more...
