Exciting News from Corian® Design

Corian® Solid Surface *expands* its WIDE sheet program

The colour offering of the WIDE sheet program launched earlier this year has been expanded. In addition to *Glacier White*, Dupont has added 4 more colours to the offering. ***Modern White, Cameo White, Linen, and Antarctica*** have now been added to the 48", 54" and 60" wide, in 1/2" material only. Dupont will also be adding these colours to the existing 36.6" offering of Cameo White and Glacier White. Please contact your representative or the office for ordering requirements.

Corian® Quartz – New Colour

DuPont is pleased to announce the addition of *Calacatta Novello*...a new option to respond to the consumer demand for the ever-popular Calacatta aesthetic. With its bright white opaque background and brown highlights, this new product will surely quickly attract attention. *Calacatta Novello* slabs will be offered in the Jumbo slab format 65" x 130".
